## 13.0 MOTIONS WITHOUT NOTICE (OPERATIONS)

## **14.0 MOTIONS ON NOTICE (REPRESENTATION)**

### **14.1 The 109<sup>th</sup> Guild Council:**

- 14.1.1 Stands in solidarity with the Australian Nurses Federation who are undertaking industrial action to ensure better pay and safer working conditions for nurses and mid-wives, including implementation of staff-to-patient ratios,
- 14.1.2 Commits to sending a delegation of UWA Guild members to the rally on 1<sup>st</sup> of December at 111 St Georges Terrace to oppose the Industrial Relation Commission's decision to de-register the ANF after its 1-day strike and will post a social media statement by 9:30am on the 1<sup>st</sup> of December to express solidarity with the ANF,
- 14.1.3 Opposes the unprecedented move by the IRC to deregister the ANF as well as prior attempts to gag the union and ban it from taking industrial action or communicate with members about said action, and
- 14.1.4 Rejects the narrative posted by the McGowan government and mainstream press that strikes are a danger to patients and the public and recognises the hypocrisy of such a narrative when unsafe staffing levels and underfunding of hospitals that are serious dangers that have led to the death of patients such as 7-year Aishwarya Aswath.

Moved: Phoebe Bee

Seconded: Natasha Nicole

PB believes that the industrial action surrounding the nurses is incredibly inspiring. PB explains that nurses are paid barely above minimum wage, despite working through the pandemic. PB adds that nurses are suffering from understaffing in all levels and terrible nurse-to-patient ratios. PB adds that currently babies don't count as people so are not included towards the ratios. PB adds that nurses are under a lot of pressure, and many are doing double-shifts as their norm.

PB explains that the nurses are fighting for is basic safety for patients and for them to be paid a decent amount for the work they do.

PB believes it is important we take a stance in solidarity with the ANF. PB explains that if the IRC were to deregister the ANF, nurses would have no union to represent them and no way to defend themselves. PB adds that this has never been the response for any industrial action before. PB believes this is a low-handed tactic to suppress the strike.

PB adds that the doctor's union has already come out in solidarity with the nurses and critiqued the IRC's decision.

PB believes it is important we attend the rally tomorrow and show solidarity, especially since the government refused to negotiate a decent pay deal with the nurses.

**Questions for motion 14.1:**

- AJ asks what the narrative that has been posed by McGowan government is.
  - PB answers that all the press coverage of the strike so far has portrayed them as dangerous and that the nurses aren't taking patient's health into account and putting people's lives at risk. PB believes this is blatantly false. PB adds that the strike has made sure that emergency departments and ICU departments have stayed staffed, and postponed elective surgery to the day after the strike. PB adds that the nurses have made sure that patients have still been cared for. PB believes this is hypocritical and adds that the severe understaffing has led to people dying in Ambulances.

*No debate of the motion.*

*This motion passed.*
